

KU School of Engineering
FIRST Robotics Scholarship Application
\$2000/year for out of state students
\$1000/year for in state students
Application Deadline: January 1st, 2018

Scholarship requirements:

- Completed admissions application to the University of Kansas School of Engineering by January 1st (apply online at www.admissions.ku.edu)
- Minimum math ACT score of 26 (620 Math SAT)
- 3.0 high school GPA
- Preference will be given to those applicants who have more than a year's experience with FIRST and/or those who played a significant role on their Robotics team

This scholarship is renewable for four (4) years provided the following criteria are met:

- Maintain a cumulative GPA of 3.25
- Must continue enrollment in the School of Engineering in an engineering curriculum
- Continue to make progress (30 credit hours per year) by following the department's curriculum guidelines

1. Please complete the following information and print legibly.

Name: _____ Gender: ___M ___F

Address: _____ City: _____ State: _____ Zip: _____
