

The University of Kansas School of Engineering is proud to partner with Project Lead the Way (PLTW) to offer merit based scholarships for students who participate in the PLTW curriculum. High-school seniors attending a certified PLTW high school and who have completed coursework within the PLTW curriculum are encouraged to apply for this scholarship. The scholarships are one-time awards in the amounts of \$1000 for out-of-state students and \$500 for in-state students.

Applicants must meet the following scholarship criteria in order to be considered:

- Attend a certified PLTW high school
- Complete at least two (2) PLTW courses and earn a grade of B (80%) or better in each
- Apply and be admitted into an engineering major within the KU School of Engineering by January 1st (applications can be found online at www.admissions.ku.edu)

Minimum admission requirements:

- math ACT score of 26 (620 Math SAT), and
- 3.0 high school GPA

Applicants must submit the following PLTW scholarship application materials by the application deadline January 1, 2018:

- KU PLTW scholarship application
- A completed PLTW teacher form
- An official high school transcript

**students completing the second PLTW course during their senior year will need to submit their final transcript by June 30th, 2018 in order to be considered for the scholarship.*

Please return your completed PLTW scholarship application, PLTW teacher form, and official transcript to:
