

2017 Evening With Industry **Breaking Barriers and Building Bridges**

Keynote Speaker:

Tirzah Gregory, PE

HNTB Bridge Group Director

Tirzah Gregory, PE, currently serves as HNTB's Bridge Group Director managing 60 engineers, technicians and architects in offices located in Kansas City, Overland Park, and St. Louis. Ms. Gregory earned her Bachelor of Science in Civil Engineering from Washington University in 1994 and earned a Master of Civil Engineering from the University of Kansas in 2001. She has worked at HNTB for nearly 23 years. Ms. Gregory is active in Prep KC, serves on the executive board of the WTS (Women's Transportation Seminar) Kansas City Chapter, and is recent graduate of the Kansas City Civic Council's Kansas City Tomorrow leadership program. Ms. Gregory was recently appointed to the University of Kansas Engineering Board, KC Degrees Business Engagement Taskforce, and the Workforce Steering Committee for KC Global Design. She was also recently honored by being selected as one of the Kansas City Business Journal's 2017 Next Gen Leaders. In her spare time, she enjoys coaching basketball, photography and traveling. She grew up in southwest Michigan and lives in Overland Park with her wonderful husband, Ted and two children, Merritt and Delia.
