KU School of Engineering
Graduate Certificate Checklist

Name: _____   Student ID# _____

Dept / Program: _____   Major:_____ (if applicable)

Certificate Type:

AE
☐ Computational Fluid Dynamics

C&PE
☐ Petroleum Management

CEAE
☐ Construction Management
☐ Structural Analysis
☐ Structural Design
☐ Structural Forensics
☐ Water Resources

EECS
☐ Cybersecurity
☐ Data Science
☐ Software Engineering & Management

EMGT
☐ Foundations of Engineering Management

PMGT
☐ Foundations of Project Management

Certificate Completion Date: _____ (semester and year)

Graduate Advisor: _____

Requirements for Graduation:

☐ "Apply to Graduate" for the correct semester in Enroll & Pay (if you applied for a previous semester, you must re-apply in E&P)

☐ Update and submit your Plan of Study (PoS) for final approval at: http://gradplan.engr.ku.edu/. Please make sure all classes that count towards your certificate are included and correct. Do not include coursework with a grade of "C- or below" as meeting graduate certificate requirements. If you have any incomplete (I) or waiting grades (WG) from previous semesters, please contact your instructor or department assistant to get those changed.

☐ Complete the 2020-2021 Engineering Graduate Level Report Form online for graduation purposes.

Departmental / Program Requirements Met: _____
Graduate Advisor or Director / Program Coordinator   Date

School of Engineering Requirements Met: _____
Graduate Academic Services Representative   Date
